Oak / Cooper Nest Box M
Art. No.: 541320

Oak / Cooper Nest Box L / M / S
Art. No.: 541310 / 541320 / 541330

Vort hexagonale foderhus er absolut et af de største af sin slags på markedet. Produceret i egetræ med et tykt kobbertag! Foderhuset har en lav højde mellem foderbund og tag, således at de største fugle ikke kan komme ind på foderpladsen!

Hexagonal Bird Table are our luxurious bird table made in oak and with a copper roof.

Please also notice our ½ Hexagonal Wall bird table!

Our classic bird houses are also our own design. Notice the bowed roof is made from copper!

The nest has an extra ventilation on the side and an opening in the front for cleaning.

The large house (541310) has a 48 mm hole fit for Starling, Blackbird or Woodpecker etc.

The medium (541320) house has a 34 mm hole which fit for many kind of Sparrows, Great tit, Marsh Titmouse and other birds of that size. The small house has a 29 mm hole which fit for Blue Tits, Flycatcher, Wren etc.

On our labels you can find instruction for how to place the bird house.
